Pristine

2024 Pristine Vin Gris

Vin Gris refers to the process where dark-skinned grapes are treated like a white wine in their processing, leaving a light colour to the finished wine.

Origin:

Grown in the Zillah Vineyard, Rattlesnake Hills AVA,
Washington State
Made in Oliver, BC

Vineyard Notes:

High elevation, cool, rocky silty loam, south aspect

Processes:

Night harvested, destemmed, crushed, and pressed immediately. Moderately cool fermentation in stainless steel tanks using Prise de Mousse yeast. Filtered cold with no fining.

A note on the wine:

Lily fresh, crustacean friendly.

Blend: 100% Pinot Gris

Chemistry:

| | | | |
|----|---------|---------|---------|
| pH | 3.39 | Alcohol | 11% |
| TA | 6.6 g/L | RS | 1.1 g/L |

Production: 317 cases

Wholesale Price: \$13.42 | **Winery Direct:** \$19.99
